Wanzl Hotel Service

Continuing a long success story

PLATE TROLLEY 1976

TRAY TROLLEY 1984

ZP CLASSIC CHAMBERMAID TROLLEY 2012

■ **At Wanzl, we know** what people will want tomorrow. As a world market leader for shopping trolleys, we provide the right answers for Hotel Service too. As early as the 1970s, the first Hotel Service products were already being produced, such as the plate and tray trolleys for optimised day-to-day processes in the hotel and catering trade.

■ **Today, Wanzl employs** over 4,000 employees at eleven production sites worldwide, working on new business areas and products and on unusual product designs based on consistently high quality and a vast production range. The aim: perfectly satisfied customers.

***The world is changing.
Take advantage of it!***

■ **For optimised day-to-day hotel processes.** Wanzl's professional competence ensures effective work processes in the hotel and catering trade – and thus also the competitiveness and business success of its partners. Functional, economical and userfriendly products minimise personnel requirements and help to satisfy the high expectations and requirements of your guests.

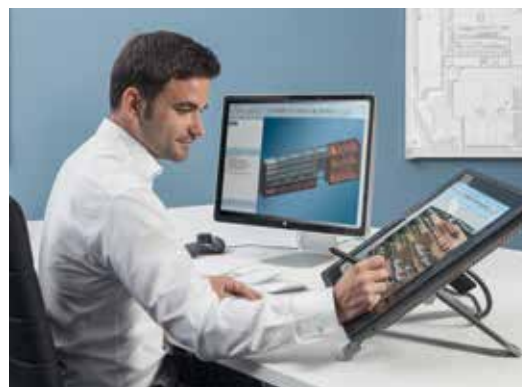

Highlights_MADE BY WANZL

Innovative products from a single source

IN-HOUSE CASTOR PRODUCTION

IN-HOUSE CAD DEVELOPMENT

Production

■ **Wanzl sets the standards for production:** In all production processes, Wanzl's quality policy results in products with the best materials, first-class workmanship and well-finished surfaces. This ensures long-term maintenance-free use and investment security.

Quality

■ **Wanzl sets the standards for quality:** particularly with regard to smooth rolling: the castors are mounted on 2 maintenance-free ball bearings, have abrasion-proof treads and feature steering forks with ball bearings. As a result, our chambermaid trolleys are quiet, smooth-running and easy to steer.

Innovation

■ **Wanzl sets the standards for innovation:** from practical experience – for practical use: using cutting-edge production and design technology, we create innovative, forward-looking products and constantly set new standards for handling and effectiveness. This allows us to streamline your processes, guaranteeing you have the best possible facilities in future too.

01.01 Premium ZP Classic

■ **The tried-and-tested design from Wanzl.** The special features of the Premium Classic chambermaid trolley help the room service personnel to provide a perfect service. It can be customised as required by adding practical accessories.

Standard equipment: Steel-tube design, fold-out bars for hanging laundry and rubbish bags, one of which is a bar with folding lid for closing 120-litre plastic bags. Lower bars, each with grate. 2 fixed and 2 height-adjustable shelves in matching finish.

Finish: Plastic powder coating in titanium grey.

ZP-7 model: 2 swivel castors, 2 fixed castors, with polyamide tread, castors ø 200 mm.

ZP-9 and ZP-11 models: 4 swivel castors with polyamide tread, 5th castor in the centre with rubber tread, castors ø 160 mm.

ZP-7 CLASSIC

The versatile quick-change artist

- > Suitable for indoor and outdoor use
- > Low weight thanks to washable fabric cover
- > Large volumes, large load capacity

ZP UNIQUE
CHAMBERMAID TROLLEY

Lightweight and easy to manoeuvre

The hard-wearing fabric cover is stretched over the uprights of the frame, which holds 3 robust shelves and a deep plastic tray for guest supplies.

The Premium ZP Unique is a compact, lightweight trolley which has a large volume and load capacity and

is also highly stable. This versatile model is impressively easy to steer and manoeuvre.

Premium ZP Unique chambermaid trolley

■ Comes with a cover suitable for indoor and outdoor use made from a hard-wearing, softshell fabric that can be printed to meet individual requirements. Innovative, flexible and practical, designed for everyday use. The Premium ZP Unique takes up very little space when stored.

1 ROLL-DOWN PANEL (OPTIONAL)

Perfect for transporting your housekeeping equipment discreetly.

2 BRANDING (OPTIONAL)

Your hotel logo according to your requirements and to ensure a consistent corporate design.

3 REMOVABLE BAG HOLDERS

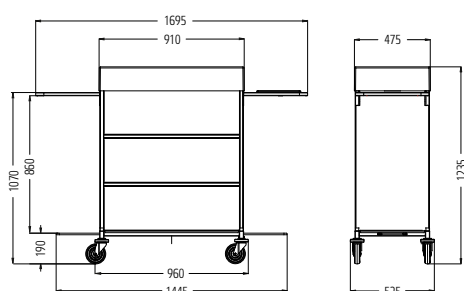

The bag holders can be removed quickly and easily without using tools.

ZP UNIQUE CHAMBERMAID TROLLEY

01.06 hotel-max

For invisible housekeeping

- > "Invisible" assistants for disturbance-free housekeeping
- > For hotels with an upmarket ambience
- > Compact, manoeuvrable and stylish

HOTEL-MAX. L
service trolley with service
basket

Pat. pend.

HOTEL-MAX. S
service trolley with
service basket

Pat. pend.

Standard equipment

hotel-max. S and hotel-max. L service trolleys:

The chassis consists of a round tube design with plastic powder coating. There is a wire storage basket and the wire bottom tray holds the service basket; hotel-max. L features particularly generous dimensions.

Castors: Made of plastic with wear-resistant tread.

hotel-max. S and hotel-max. L service baskets:

Plastic with woven willow look. Food-safe, heat-resistant to 70°C and UV stable. Washable and suitable for machine washing.

Extras on the hotel-max. L service basket:

There are 2 basket heights, each equipped with a small item basket. Additionally, the shorter version* has compartment dividers.

* Height 440 mm

hotel-max. S and hotel-max. L

■ **Elegant and manoeuvrable multi-function transporters by Wanzl.** The hotel-max. S and the hotel-max. L do their work as a constant, "invisible" companion to the chambermaid and thus prevent impairment of the overall impression given by hotels with an upmarket ambience.

Collapsible to save space

The hotel-max. S and hotel-max. L service trolleys can be folded down to occupy very little space when they are not needed. It really does not get any more practical.

Both very quickly become indispensable.

HOTEL-MAX. L

HOTEL-MAX. S

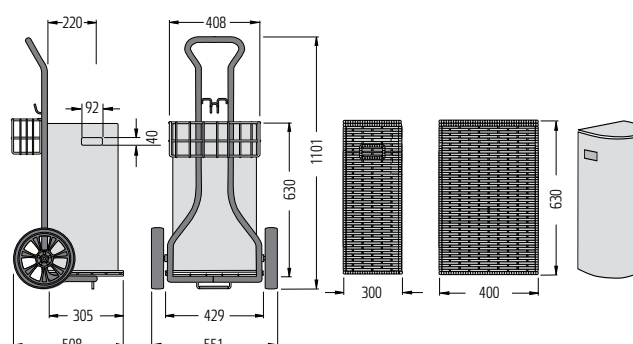

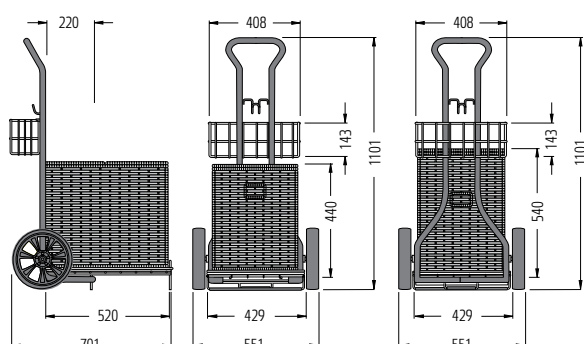

Lots of space for cleaning requirements

Everything you need for housekeeping can be comfortably accommodated in the wire basket on the control handle of the hotel-max.

Particularly gentle

Plastic profiles ensure additional protection of all surfaces. The double edging wire offers the service basket additional support.

01.11 AL sprung-base trolley

A laundry trolley for smooth service

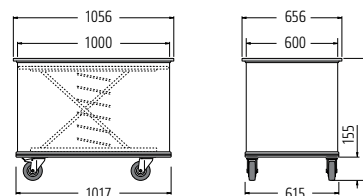

- > Robust trolley made of aluminium
- > With automatic height adjustment of the base shelf thanks to a sturdy steel spring
- > Can be used universally

AL SPRUNG-BASE TROLLEY

Perfect position

A sturdy steel spring ensures that the base shelf is always at the ideal height, irrespective of the load.

Standard equipment: Robust trolley made of anodised aluminium. The base shelf is raised and lowered automatically depending on the weight of the transported goods. This enables staff to load and unload the trolley comfortably and without straining their back.

Castors: 4 swivel castors, incl. 2 with brake, castors \varnothing 125 mm.

AL sprung-base trolley

With adjustable base shelf
