ZP CLASSIC HOUSEKEEPING TROLLEY 2012

■ **At Wanzl, we know what** people will want tomorrow. As a world market leader for shopping trolleys, we also provide the right solutions for hotel service. As early as the 1970s, the first Hotel Service products emerged, such as the plate and tray trolleys to optimise day-to-day processes in the hotel and catering trade.

■ **Today, Wanzl employs** over 4,600 people at twelve production sites worldwide, working on new business areas and products, on exceptional product designs with a consistently high quality and a vast production range. The aim: perfectly satisfied customers.

***The world is changing.
Take advantage of it!***

■ **For optimised day-to-day hotel processes.** With its professional competence, Wanzl ensures effective work processes in the hotel and catering trade – and thus also the competitiveness and business success of its partners. Functional, economical and user-friendly products minimise personnel requirements and help to satisfy the high expectations and requirements of your guests.

IN-HOUSE CASTOR PRODUCTION

IN-HOUSE CAD DEVELOPMENT

Production

■ **Wanzl sets the standards for production.** In all areas of production Wanzl's quality policy results in products made from the best materials with first-class workmanship and well-finished surfaces. This ensures long-term maintenance-free use and investment security.

Quality

■ **Wanzl sets the standards for quality** – particularly with regard to smooth motion: the castors are mounted on two maintenance-free ball bearings, have abrasion proof treads and feature steering forks with ball bearings. As a result, our housekeeping trolleys are quiet, smooth running and easy to steer.

Innovation

■ **Wanzl sets the standards for innovation** – practical solutions from practical experience:
Using state-of-the-art production and design technology, we create innovative, future-oriented products - consistently setting new standards for handling and efficiency.

Update your housekeeping

As individual as your guests

OUR EXPERTS TAKE THE TIME THAT YOU NEED

■ **Our services:**

- Personal consultation with our team of experts
- Easy to reorder spare parts
- 36 months' warranty on Wanzl castors
- 10-year availability guarantee
- Dense service partner network
- Made in Germany

What is important to you?

*Stability – durability – design – customisation –
robustness – price – size – flexibility*

■ **Benefit from our experience and provide your housekeeping with the best equipment.**

Our products are designed for hotel-specific challenges and conditions and provide your staff with optimal support. Especially with our housekeeping trolleys, we always have a suitable trolley for the varied requirements of the establishment. Whether standard, flexible or customised housekeeping trolley – working efficiently is not a question of price. Let us help you find your favourite products. Tell us about your needs, problems and challenges and we will work out a suitable product selection together.

Optimised housekeeping and efficient laundry flows

■ **Whether it's a 5-star hotel, a wellness oasis or an idyllic country inn,** Wanzl Hotel Service's wide range of trolleys meets every requirement for first-class service.

The individuality of each hotel is also reflected in Wanzl's hotel trolleys. The Mundus housekeeping trolley in particular can be adapted to the requirements and design of the hotel.

Both clean and dirty laundry must be transported – Wanzl offers optimal solutions for this. Optimise your laundry flows with our handcarts, shelved laundry trolleys and roll cages.

MUNDUS 11

01.01 Mundus® housekeeping trolley

■ **Housekeeping, reinvented.** Create a custom housekeeping trolley to suit your needs. You can also choose “your design” from three frame colours, two textile colours and three finishes and combine them with each other – entirely according to your taste.

Alternatively, two variations of the Mundus as classic variants are available for dispatch within five working days.

Aluminium structure

The Mundus has a new, closed structure made of aluminium, and is available in the frame colour of your choice.

Shelf mounting

Thanks to the newly developed mounting, the shelves are easily height-adjustable and can also be securely fixed when the ground is uneven.

Hybrid design: Steel tube base combined with aluminium profiles. e.g. with fold-out bars for hanging laundry sacks and rubbish bags, and one bar with a folding leather cover to conceal a 120 or 50 litre plastic bag. Lower bars each come with grids and two height-adjustable removable shelves in matching finish.

Finish: Frame with plastic-powder coating.

Castors: Mundus 9 and 11: 4 swivel castors with polyamide tread, diameter 200 mm, 5th castor in the centre with rubber tread, diameter 160 mm.

Mundus 7: 2 swivel castors, 2 fixed castors with polyamide tread, castor diameter 200 mm.

Mundus 5: 2 swivel castors, 2 fixed castors with rubber tread Ø 125 mm.

■ **The Mundus is highly customisable** and always boasts surprisingly varied new looks. This means that each basic model can be turned into an individual item that takes the aspirations of a company and its corporate identity personally.

How do I create my own Mundus?

1. Select one of the four sizes.
2. There are 3 finishes and 3 frame colours to choose from, which can be put together to suit your taste.
3. Depending on the application, you can further customise the trolley's body, e.g. with drawers or a roll-down panel.
4. Then select the optimal side panels for your applications – we'd be delighted to advise you!
5. Now your personalised Mundus is ready – our accessories add the finishing touches.

01.01 Chassis of the Mundus®

■ **The exterior features of the Mundus** match perfectly with the high quality it demonstrates in its design, equipment and accessories. The whole trolley is made of robust steel which ensures high load capacity and stability, while the all-round profiles are made from aluminium. Its hybrid structure makes the compact Mundus truly lightweight.

Structure

The Rehling variant provides a more open design and makes it easy to push the trolley.

Structure with leather cover

High-quality fibreglass reinforced leather cover. Double-stitched edges increase durability.

Standard drawer

Lockable option available. The removable pull-out drawer with soft closing and variable compartment dividers provides additional storage space.

3P drawer

Push & pull. Two additional storage compartments for image brochures and documents. Practical clipboard for checklists.

Standard shelves

Variable shelves: The shelves in anthracite can be easily and conveniently inserted at different heights without additional tools.

Shelves for variant with roll-down panel

Customisable solutions: Special shelves for variants with lockable roll-down panel.

Aluminium profile

Lightweight design: The Mundus is easy to manoeuvre thanks to its aluminium profile.

Lockable roll-down panel

The roll-down panel and an RFID lock protect the contents of the trolley from unauthorised access. Only available in combination with a standard drawer!

5th castor – easy to manoeuvre

Simply ingenious: the 5th castor allows the trolley to turn on the spot.

Protection for your interior

Protective feature: Rubber deflectors protect the hotel interior.

01.01 Customise the side sections

■ **Equipment for the Mundus** can be configured individually. Nothing is off the rack, it is all tailor-made. The trolley comes with a long list of practical equipment. Optimise the Mundus basic equipment with freely selectable add-on parts and make it possible for the

hotel's individual requirements to be met. Thanks to the smart modular design, all side add-on parts can be fixed or replaced at any time in just a few simple steps. After attachment, the safety screws ensure a firm fit even under high loads.

Dirty laundry bag holder

Standard or with an elegant fabric covering.

Leather cover for dirty laundry bag holder

Clean solution:
On request, with folding leather cover for closing

Drawer compartment divider

Variable compartment dividers organise guest supplies.

Nova laundry trolley

The laundry trolley can be detached from the Mundus using a handle, allowing it to be taken into rooms separately.

Wire rack

Effective protection of your interior thanks to deflectors.

Removable tray

Pull-out trays for customised storage space.

Holder for rubbish bag / double rubbish bag

Fold-out bar for hanging a plastic bag, with folding leather cover for closing.

Closed tray

For sufficient storage space on the Mundus.

Fabric covering

Secured with Velcro visually and functionally perfect. The colour anthracite can be selected.

Push handle

Simple and comfortable operation in confined spaces thanks to the optional push handles.

01.01 Accessories – Mundus® even more unique

■ **The Mundus housekeeping trolley** can be expanded with practical accessories if desired. The mop holders, laundry bags and waste separation boxes are just some of the optional features available to make housekeeping easier.

Waste separation box

Simple waste separation:
2 boxes allow easy separation of different recyclable materials.

Mop holder

The user-friendly and flexible holder system in two sizes keeps everything under control.

Small items box

For even better organisation:
Clear arrangement of guest supplies Made of wood, painted light pearl grey.

SmartFix mobile phone holder

For all common smartphones: The lockable holder enables digital housekeeping.

Polyester bag

Anthracite, easily removable.
With optional zip closure.

Mundus utensils pocket

Accessories for even more space: For transporting additional utensils.

Cleaning tray holder

Transport cleaning materials safely with the cleaning tray holder.

Disinfectant holder

For all standard disinfectant dispensers. Can be mounted on the structure as well as the Rehling variant.

Brake bar

Safety during cleaning.
The brake bar ensures that the trolley does not roll away on uneven surfaces or on a ship.

01.01 Configuration ideas

Use the Mundus even more flexibly

■ **Thanks to its customisable configuration options**, the Mundus also fulfils a wide range of other applications in addition to classic housekeeping trolleys.

Turndown trolley

With its space-saving design and practical storage compartments, the turndown trolley is easy to handle and enables housekeeping staff to work quickly and efficiently. As a smaller alternative to the classic Mundus, the turndown trolley is ideal for discreetly checking rooms again and refilling towels or amenities if necessary. This keeps sleeping areas spotless and ensures a restful stay for your guests every night.

Public area trolley

Hotel cleanliness, style and convenience – The public area trolley is a nice alternative to traditional cleaning trolleys, preventing guests from being disturbed by disruptive cleaning equipment. The trolley offers plenty of storage space for all cleaning equipment needed for thorough cleaning of public areas. From a mop and bucket to a vacuum cleaner, everything is safely and neatly stowed away.

Banquet and terrace trolleys

The banquet and terrace trolley is the perfect tool for successful events. As a service station, it offers shelves for cutlery and crockery, enabling staff to work efficiently. It also provides ample storage space for drinks and snacks. The sides of the trolley can also be used as space for labelling, for example to display the daily menu. With its elegant design, the Mundus is also a stylish accessory that enhances the ambience.

01.03 Tantum 9 housekeeping trolley

■ In an international comparison, the **Tantum 9 housekeeping trolley is the most economical**. The model impresses with its lack of plastic parts. It is therefore more robust and hygienic. Its rear panel is made of hard-wearing, impact-resistant wood. It also serves as a screen and protection against dirt and, like the side panels and wire shelves, can be retrofitted if required. Its durability is what makes it so economical.

■ Elegant and manoeuvrable multi-function trolleys from Wanzl.

The hotel-max does its job as a constant, "invisible" companion to the housekeeping teams, while maintaining the exclusive ambience of the hotel.

Collapsible to save storage space

The hotel-max service trolleys can be folded down to occupy very little space when they are not needed. It really doesn't get any more practical. Both very quickly become indispensable.

HOTEL-MAX

A lot of space for cleaning equipment

Everything you need for housekeeping can be comfortably accommodated in the wire basket on the steering handle of the hotel-max.

Particularly gentle

Plastic profiles ensure additional protection on all surfaces. The double edging wire provides additional support for the service basket.

Benefit from proven Wanzl quality in your hotel, for example in the back offices or housekeeping and dry storage facilities. Decades of retail experience ensure reliability even in the toughest conditions.

Quick and easy “click” assembly

The **wire tech 100 click system** is designed to make the shelving units easy to assemble and quick to adapt to new requirements. Wanzl shelving systems offer smooth connections between components coupled with high shelf

stability. With just a few clicks, the console and wire shelf can be connected to each other and the consoles can be fixed to the uprights.

Effective combination of materials

Whether back panel, shelf or plinth elements: wire tech 100 adapts to your needs and the requirements of your store – not the other way around. The back panels made of wire, sheet metal or individually printed magnetic foil can be combined with wire or sheet metal shelves. The shelves can be attached at 25 mm intervals, allowing shelf heights to be adapted perfectly to the size of the products.

05 Access Solutions

05 Access Solutions

Innovative access solutions

■ **For more than 50 years** the Wanzl gate and turnstiles, customer guidance systems and barriers have been a mainstay of the product range.

Innovative, high-quality Wanzl security products are used in all kinds of critical locations requiring security against unauthorised access while granting unrestricted access to authorised persons.

The hotel industry also makes use of our access solutions. Would you like to protect conference or meeting rooms from being accessed by unauthorised persons? Or would you like to have control over which guests have access to the breakfast or wellness area?

Wanzl has just the right individual and barrier-free access solutions for you. With the Galaxy Gate and Galaxy Port, we provide visually appealing access systems.

ACCESS CONTROL to the breakfast room

PROTECTION from unauthorised access

05 Access Solutions

■ **Access solutions in the hotel increase the feeling of security for your guests** and can reduce the number of staff you need. Use access solutions from Wanzl to prevent unauthorised access to conference and meeting rooms, your wellness or breakfast area or a mini market.

Equipment

Access can take place individually via different authorisations – depending on the equipment you would like your access system to have. Your guests can, for instance, open the system by means of a barcode, QR code, RFID or NFC. We also assist you in complying with hygiene guidelines. Disinfectant dispensers or thermal imaging cameras can be integrated.
