Fine table lamps

Third edition

Dear friends of ksi®,

you know that ksi® is a premium supplier of high quality lamps. Our efforts to achieve excellent results in quality, design and service have created a tailor-made collection which meets the individual requirements of our demanding customers.

Whether classical style, vanguard elegance or pure minimalism – our designs always combine beauty with functionality.

With precious materials being processed in high quality, the ksi® lamps unite elegance and impressive green ambiance – at highest security.

Choose between the natural flame of the unique ksi® special cartridges and the leading technology of rechargeable accumulator operated LED lamps with the cordless ksi® LED.

All made in Germany.

Your ksi® team.

The rechargeable, cordless LED table lamps are the modern alternative to the candle light. A charging of 1,5 hrs. only is necessary for 100 hours of burning time. Choose your individual lamp bases out of renewable wood, precious metals, acrylic glass, solid aluminium or high-end mineral compounds. Each lamp comes with 16 LED-colors, a flickering option and can be dimmed in five steps.

modern old oak

Shaped by nature

be unique

The antique oak wood with a unique surface structure on this lamp has been recovered from historical buildings. Combined with a modern design, this lamp is one of a kind – an incomparable triad of „nature - time - light“.

One solid piece of more than 200 year old oak wood – unique & shaped by nature.
